STATE OK'S $384,615 FOR D.C. SCHOOL

Funds Granted For Elementary Off Hanover St.

Superintendent Richard Foster today reported that the State Allocations Board has granted Jefferson Elementary District $384,615 for the construction of a 13-classroom George Washington School between Whittier and Lowell streets in Daly City.

The contract has been awarded to the lowest of five bidders, Harrod and Williams of San Francisco. Work will begin within the next 15 days, Foster approximated.

The new school will have 12 regular classrooms and one kindergarten, housing grades kindergarten through sixth. Expected student population when the school opens next February is about 500.

In a progress report on other district projects, Foster said the 13-classroom Fernando Rivera K-6 School, located north of Westlake park off Lake Merced boulevard, will be ready this September for an estimated 480 pupils.

The two new classrooms at Jefferson School on Allemany street and the new six-classroom General Pershing School, betweeen Hanover and Risel streets, will be completed by early September. Holy Angels Church purchased the antiquated two-classroom Jefferson School Annex, from which 70 students were transferred to Jefferson School about two blocks away. Foster said the present Pershing School, which dates back to the early 1920's, will be demolished early next month. Its space will be part of the playground area for the new Pershing.

Work is moving rapidly on seven classroom additions to each of the Angus McSweeney-

CITY EMPLOYEES

2½ Percent Boosts In July, January Requested For 190

The Personnel Board by unanimous vote Tuesday night approved 2½ percent salary increases for Daly City's estimated 190 employees effective this July 1, and another 2½ percent hike for these workers beginning January 1 next year.

The board, according to Administrative Assistant Phil Brown, based the initial 2½ percent hike on the council's probable acceptance of the State Personnel Board's recommendations for increases, and the second 2½ percent jump to be consistent with the existing city salary scale.

The Police and Fire Association, representing approximately 44 policemen and 36 firemen, had requested a flat 10 percent fiscal year increase. The miscellaneous employees, some 110 of them, requested a 5 percent boost over the existing scale.

Brown said if the state's recommendations are adopted by the council, the total increase in city salaries would amount to $28,000 more than at present. With both 2½ percent hikes, the increase for all employees would be about 3¾ percent over the existing city scale for the next fiscal year.

Police salaries this year are $275,149 and firemen's $237,549 in a budget that totals $1,628,186 and includes $280,000 in capital outlay expenditures.

The personnel board rejected, by 3-1 vote, the police-fire association's request for a $100 a year clothing allowance. Commissioner John Drye favored a compromise — $25 a year clothing allowance, payable every four years.

Also rejected was the request for longevity pay and a change in the vacation time allowances, both by 4-0 votes.

Drye also was outvoted, 3-1, on the employees' request for unlimited sick leave accrual. Under the present policy, employees are allowed to accrue a total of 120 days total sick time. They asked for an unlimited sick leave ceiling and upon retirement one half of the sick leave time in pay. Employees now get 12 days sick leave a year. Drye asked that they receive 12 days a year for three years, then reduce the yearly allowance to six days, and upon retirement pay the employees for one half of this accrued time.

The board felt that longevity pay was out of the question in view of critical needs for more police and fire personnel. The employees had requested a longevity pay setup of $5 more a month after five years on the job, $10 a month after 10 years, $15 a month after 15 years, and $20 a month more after 20 years.

The board was unanimous in

Truck In Westlake Runs Wild

A painter was severely injured in Westlake on Tuesday at 10:15 a.m. when a runaway truck knocked down scaffolding where he was working, pinning him against the building.

Pawel Markinson, 35, 901 Jarboe avenue, San Francisco, was freed by fellow workers and transported to Junipero Serra Hospital by Silva Ambulance. His injuries included pain to his left hip, left chest area and forehead. He also received a puncture wound in the middle of lower abdomen, suffered extensive abrasions to the the left chest, and had a six inch laceration on his left hand.

He was transferred to Presbyterian Hospital by the American Ambulance Service for further treatment.

The truck, a postal department delivery van, was parked by Robert Eugene Conner, 18, 574 San Diego avenue. He saw the truck start to move after he alighted from it and gave chase. Conner said he slipped on a lawn and couldn't catch it.

The truck rolled over the curb and then sped past lawns at numbers 9, 11, 13, 15 and 17 Westline avenue, where new houses are being put in by the Henry Doelger Building Company. It rolled a total of 115 feet before passing back over the sidewalk and reentering the roadway in front of 17 Westline. It went 264 feet in a Westerly direction before striking the house and scaffolding at 32 Westline avenue.

Officer Richard Phillips said, in his estimation, that the scaffolding had pinned Markinson against the wall and not the truck. Conner was not cited. Fireman Paul Hopkins was injured when the panel truck's door came off and fell on his toe.

INITIAL STAGE of $90,000 improvements project to Daly City's Mission street is removal of long unused rail tracks. Then a concrete center strip will be installed, followed by repavement of the uprooted sections. City officials feel the work will greatly improve vehicular and pedestrian safety factors along the predominantly commercial thoroughfare. RECORD photo

August 16 Election Set By Council To 'Settle' Callan Park

Daly City residents will get their opportunity to decide the merits of the Callan Park annexation in a special referendum election on Tuesday, August 16.

Three members of the City Council set the date in a special meeting called last Wednesday night by Mayor Frank Pacelli. Councilmen Edward J. Dennis and Joseph Verducci were absent.

A simple majority vote will settle the fate of the 800-acre tract. "Yes" votes in the special election will sustain the council majority's 4-1 April 11 action annexing the intended multi-million dollar development. "No" votes will call for the repeal of the annexation ordinance and will return the land to unincorporated status.

Mayor Pacelli read a statement "on behalf of the council majority," in which he concluded that the annexation would benefit Daly City by increasing its population, broadening the tax base, and result-in a higher caliber of city-wide services.

The August 16 election date was quickly approved by the three councilmen last week. It is the earliest time a special election can be called here. The election machinery must be set in process, precinct workers recruited, and publication of the notices of election must be consistent with legal requirements.

All except Verducci voted Callan Park into Daly City the night of April 11 this year with two annexation ordinances. The tract, via the "emergency" ordi-

Man Arrested For Slamming Door On Policeman

Bail was set at $525 for Lawrence P. Bouchaine, 33, 56 Alexander street, who slammed the front door on the hand of Officer Richard Sims on Tuesday evening.

Bouchaine, arrested by Sims and Officer Hal Tunnell, was charged with battery and resisting arrest. He is to appear in Municipal Court next Tuesday.

The two officers were requested to aid Mrs. Lorraine P. Bouchaine, 35, as she had had a restraining order signed against her husband and wanted to get some clothes for the children. Sims, standing at the door, assertedly told her the police could not enter without her request.

As she gave assent, her husband pushed her aside and slammed the door shut on Sim's hand. Police gained entry and had a scuffle with Bouchaine before he was handcuffed.

St. Clair Wins High Vote For Demo Committee

Daly City area residents commanded highest votes in last week's primary balloting for Democrat and Republican central committee berths in the north county district.

Councilman Bob St. Clair, 76 Ocean Grove avenue, topped the 15-candidate Demo field with 14,993 votes to gain a central committee assignment. Adolph Harrison of South San Francisco was second with 14,359. Others winning Demo committee slots were: Martin Krum, San Bruno, 12,313 votes; Donald Brewer, Pacifica, 12,100; Robert Price, San Bruno, 11,319; Alice Johnson, Pacifica, 11,290; Leonard Redding, 11,230, and Tom Noonan, Daly City, 10,638.

Unsuccessful Demos were: William Ratcliffe, 10,537; William Keller, 10,353; F. Jose DeLerios, 10,196; Julius F. Castelan, 9928; James Green, 7504; Joseph Greenberg, 6269, and Anthony Governale, 3473.

Attorney Amos Bechtold, 716 Maddux drive, Broadmoor, with 7452 votes, and City Auditor Bob Hunter of Daly City, 127 Palisades drive, with 7166, led the Republican Central Committee victors. Bechtold was re-elected, as was housewife Phyllis Edwards of Broadmoor, fourth with 6827 votes, behind attorney and former municipal judge Thomas Bocci Jr. of Colma who had 6864. The unsuccessful GOP committee candidates were Don Cardoza, 6246 votes, and Dr. Jerry C. Miles of Pacifica, with 2501 votes.

NO PROTESTS ON 100-ACRE ANNEXATION

There were no written or oral protests Monday night when public hearing and first reading on Standard Builders' 100-acre Panorama tract annexation ordinance was held before the city council.

The development, which lies on the graded-down slopes of the Crocker hills northeast of Daly City, calls for approximately 2500 homes—75 to 100 to be constructed each year, according to City Manager Edward Frank.

City Attorney Paul Hupf said Panorama officials had met with the city's staff in several meetings discussing the project. A written annexation agreement is expected to be ready for council approval by their June 27 meeting.

The council instructed the city manager to check to see if a survey of the dangerous Eastmoor avenue-Junipero Serra intersection is being conducted by the state, as requested by the city council, county, and the St. Francis Heights and Westlake Improvement associations. A letter from the St. Francis Association to Governor Brown requesting his assistance in the drive for adequate traffic signals was read to the council. Councilmen felt the city, county and state should get together as soon as possible to speed the project.

In action by resolutions, the council asked for cancellation of $185.90 in secured taxes and

Overpass Verbal Battle Expected Monday Evening

Three hundred petitioners for the overpass at Fernando Rivera School and approximately 25 against, are expected to have a verbal battle at the Olympia School, 200 Northgate avenue, next Monday at 9 p.m. with the Jefferson Elementary District board of trustees reaching the final decision.

The controversial subject will follow the 7:30 p.m. regular meeting of the board of trustees.

The 300 persons in favor of the overpass believe it a necessity for the safety of children crossing Lake Merced boulevard. Those against believe other means may be used and say the overpass will harm their property value and mar the view from their homes.

Superintendent Richard Foster said that $15,000 of the cost is to be paid by the city with a like amount coming through the state building program, if the overpass issue is okayed by trustees.

City Nears Ambulance Pact Okay

Daly City councilmen before July 1 expect to ink a contract with Peninsula Ambulance service, long-time firm which operates on ambulance association rates.

City Manager Edward Frank said South San Francisco also is negotiating with Peninsula Ambulance for a contract.

Daly City's present emergency calls are routed to the county sheriff's office which dispatches the nearest available ambulance. The city's agreement with M&D Ambulance of 98 Market street, Daly City, was terminated last month when it was learned that the M&D firm was bankrupt and going out of business.

Correspondence also was received from Eugene Mason Howell, the county's public health engineer, in which he cited the M&D Company for no less than eight health and safety code violations at the 98 Market street establishment, a single story wood-frame garage structure which formerly was used by the Colma Volunteer Fire Department.

Howell listed these violations in letters to Wesley Black, owner of M&D, and L. Garibaldi, who owns the garage:

Nn one-hour fire separation material between garage and office. Illegal side bedroom — not seven-foot minimum width. Illegal gas water installation in bedroom. Illegal gas water heater vent. No impervious covering over cement floor in bedroom. Illegal use of rear room for sleeping and eating. Excessive storage of mattresses and bedding around ceiling trap door. Present use classifies as sub-standard housing and unfit for human occupancy.

Grease Fire Does $3000 Damage At Abbot Ave. Home

A grease fire at the home of Mr. and Mrs. Arthur Hulse, 151 Abbot avenue, did between $2500 and $3000 damage to the kitchen Saturday at 6 p.m.

Battalion Fire Chief Wayne Alexander said Mrs. Ruth Hulse suffered some smoke inhalation and was treated at Junipero Serra Hospital. She was later released. Alexander said it took five firemen but 20 minutes to extinguish the flames.

VICE PRINCIPAL ASSAULTED BY HOODLUM PAIR

Carrol J. Martindale, vice principal at Colma Intermediate School, was assaulted by two youths, believed possibly to be in the eighth grade at Colma, last Friday at 11:45 p.m. following the annual graduation dance.

Martindale, 39, 903 Serenta drive, Pacifica, said he left the dance and stopped his auto at a stop sign at East Market street near Mission. He heard something strike the top right of his auto and turned his head to the left. He said a young boy then swore at him and struck him several times in the face.

The only description he gave Officer John Van Otten was that the muffler on the auto was "very loud," as it sped away.

Martindale had been warned of the attack earlier. Roy Gonella, a custodian at the school, said he heard three boys talking, one stating "Martindale is going to catch it tonight." Martindale was told of the threat but said he did not pay much attention to it as several threats of this nature have been voiced in the past and never materialized.

NOVEMBER RUNOFF

Fitzgerald-Callan Duel Expected To Be Close

North San Mateo County residents can expect the closest First District Supervisorial race in history this November when City Councilman James Fitzgerald of San Bruno meets eight-year incumbent Thomas Callan Sr. of Colma.

Fitzgerald, 41, edged Callan, 69, by 2740 votes in last week's primary. The first unofficial tally showed Fitzgerald with 48,036 and the chairman of the county board with 45,296.

While Fitzgerald's heavy vote came somewhat as a surprise, Callan did expectedly well in his own district, capturing high vote in Daly City, Pacifica, Broadmoor, Bayshore, and the town of Colma.

Fitzgerald, on the other hand, beat Callan by 817 votes in South San Francisco, 3819-3002, and had a 1747 votes margin over Callan counting all major north county precincts from Millbrae to the San Francisco line.

Callan exceeded Fitzgerald in Daly City by 218 votes, 4360 to 4142. In Pacifica, the veteran supervisor defeated Fitzgerald by 241 votes, 2019 to 1778.

Broadmoor gave Callan 530 to 423 for Fitzgerald. Bayshore City had Callan ahead, 278 to 158. Tiny Colma favored the incumbent, 70 to 32.

Fitzgerald's margin in his hometown of San Bruno was 1669 votes over Callan, 3675 to 2006. In Redwood City, the county's second largest municipality, Fitzgerald's advantage was almost 2-1. He tallied 6479 votes to 3482 for Callan in the county headquarters city.

Callan surprisingly edged Fitzgerald in the latter's backyard, Millbrae, with a 1839 to 1704 edge over the challenger.

Fitzgerald topped Callan in Menlo Park, 3309 to 2596, while Callan triumphed in Burlingame, 3628-3157; San Carlos, 2874 to 2770; Belmont, 1585 to 1551; Atherton, 975 to 893; Hillsborough, 1207 to 910; and Half Moon Bay, 224 to 164.

Fitzgerald nudged Callan at Woodside, 497 to 495.

THIS SHEEP, furrowed into the sand by seashore waves at Thornton Beach, was one of 30 found at that locale last Saturday afternoon. More than 500 were believed to have been tossed from an Australian ship which left port over the weekend. Dead animals are often dumped from ships and disposed of by sharks. These came all the way in, however.

'Expired' Sheep Give County More Troubles

A comedian has a record out entitled the "Button Down Mind of Bob Newhart."

However, what happened at Thornton Beach Saturday could be termed "The Mutton from 'down under' kind of dead heart."

Approximately 30 dead sheep washed ashore after being tossed overboard somewhere outside of San Francisco. They covered a three mile stretch of surf from the Olympic Golf Club to as far South as Mussel Rock.

A San Francisco policeman, riding horseback along the beach, stated to this reporter he had been told by the humane society that possibly as many as 500 of the sheep had been dumped from the Australian ship the S. S. Delfino.

Some of the sheep were clustered almost together on the San Francisco side but those on the Daly City section of the beach were strewn from 20 to 50 yards apart.

The first pair of sheep were

COUNCILMEN WILL MEET McKEONS IN ANNEXATION SETTLEMENT TRY

The "fulfillment" of the 1956 annexatoin agreement between the city and Zita Corporation produced continued debate Monday night when builder George McKeon of St. Francis Heights asked councilmen why the prolonged controversy couldn't be resolved.

George's father, Chris McKeon, in a strongly worded letter to the council charged the councilmen with personal liability for allegedly withholding building permits for the completion of St. Francis Heights.

Mayor Frank Pacelli answered that the city hadn't withheld McKeon permits as specifically charged, asking City Attorney Paul Hupf to clarify the situation.

Hupf told McKeon that the council "did delay McKeon permits last February as the result of an agreement pending final Daly City freeway route discussions with the state . . . but subsequent requests for permits resulted in their issuance."

McKeon challenged this answer, insisting that the later permits "were delayed."

"But this is all water over the dam," he pointed out. Then he charged that the council was hedging on a final settlement on the St. Francis Heights annexation agreement.

Hupf, directed by the mayor many times to interpret the city's position in the long-standing controversy with McKeon on the annexation, declared that the building permits "are not the issue, but rather the question is whether the Zita Corporation annexation agreement is to be fulfilled by the builder."

Asked by the mayor if the city "has complied with the annexation agreement," Hupf stated that he felt the settlement hinged on the developer's commitment to meet his written obligations as per the agreement.

McKeon, who needs only permits for approximately 700 apartment units and perhaps more than 200 homes to complete the 300-acre subdivision, retorted, "we have been anxious to settle the agreement . . . in fact, we have sent no less than six registered letters to you (the council) the past two years in requesting meetings to work out a solution."

Continued McKeon, "Many items in the agreement are controversial, and we will be more than happy to sit down and attempt to resolve them, and these discussions should take several hours."

Although the full council agreed to a special meeting with McKeon on Wednesday night, June 29, at City Hall at 8 p.m., there is no certainty the differences in interpretation of the agreement will be resolved.

McKeon charged the council with "wanting us to fulfill our agreement, while you haven't fulfilled your part as per the written document."

Pacelli expressed the council majority's position that McKeon hasn't delivered a two-acre municipal purpose site and a clubhouse to the city as per terms of the agreement which said this was to be done when 85 percent of the subdivision is completed.

McKeon said this transaction hadn't been accomplished because he claims the council refuses to reimburse the Zita Corporation for an estimated $100,000 for street electroliers. The builder also charges the council violated the agreement, as per a special addendum to the annexation pact, by increasing individual building permit fees when the new building code was adopted two years ago.

The city attorney, however, answered this latter assertion with the interpretation, "I do not feel the council can delegates its legislative authority as the addendum on building permit fees represents."

Hupf's statement was interpreted to mean that an agreement on maintaining the same building permit fees as part of the annexation should not have been in the annexation pact, but more properly should have been consistent with the subdivision ordinance.

McKeon said the council's reluctance to accept responsibility for the electroliers and subsequent higher permit fees "has cost us an additional $50,000 over what we anticipated from the mutually agreed annexation terms."

Pacelli reiterated that the language of the agreement, in his opinion, "makes it clear that the subdivider was responsible for the electroliers."

Hupf added: "I thought this point was accepted as fact a year ago . . . that the city has no responsibility on the electroliers."

McKeon, however, still voiced disagreement on this contention, as Pacelli asserted to him: "It boils down to your opinion of the agreement against those of our city attorney and administrative staff."

Councilman Micheal DeBernardi said the basic problem "is interpretation of the agreement."

Councilmen Bob St. Clair and Edward Dennis then suggested a meeting with both McKeons on the matter. After a few minutes of checking their individual schedules, the councilmen agreed on June 29.

The other key discussion Monday night was the council's appointment of Bill Chapman as "city engineer." Serving as acting head of the department since the resignation of Otis Calhoun last fall, Chapman's "title" appointment carried by 4-0 vote. Councilman Joseph Verducci "abstained," declaring that he did so "only because the duty statement for Chapman's designation as city engineer was not read as Verducci requested prior to the vote on the appointment.

The second resolution detailing Chapman's duties and responsibilities as head of the department produced unanimous council vote. Verducci then declared, "I would have voted yes on the appointment instead of abstaining if the duty statement had been read prior to the vote appointing Chapman."

City Manager Edward Frank, answering a Verducci query, stated that by law the council needed to appoint a city engineer and that Chapman's duties encompassed the total functions of his predecessor (Calhoun).

Pacelli pointed out that the former city ordinance listed Chapman's present position and also Calhoun's function as "city engineer and street superintendent . . . and there has never been a so-called director of public works here by ordinance."

Pacelli's comment reverted to the controversy over Calhoun's title. Verducci maintained prior to Calhoun's departure that the city had a department of public works, as such, headed by Calhoun as "director of public works."

WHAT'S DOING

W. L. Conkey, your Telephone Manager in Daly City

Here's one way to go from coast to coast and not leave town. This young lady will soon call lots of places every day on her new job as a long distance operator. Here she's at a practice switchboard, training with a phone woman who learned the job in this way too. Other new people starting out in the telephone business will get training for different jobs—and get paid while learning. It's the first step in helping them build fine careers for themselves. And, of course, good training like this means good service for you.

***Planning to move?** It's a good time to get that extension phone you've been thinking about. At no extra installation charge, we'll put in an extension phone—or two or three—when we install your new service. So if you'd like to start planning where you'd like those new phones, why not call your service representative at the telephone office, or talk to your telephone service man.*

Tool chests on wheels. That's what you could call the familiar telephone installation trucks you see here in town. And very accurately, too. Because when they roll out for a day's work they carry everything needed for any job . . . from screwdrivers to shovels to a full line of color phones. Generally, they carry about 400 pieces of equipment and tools. Stocking up the trucks so they're ready for everyday jobs—and for most "unexpected developments"—is another way telephone people work to bring you good service, quickly and efficiently.

'Lost' Sheep

reported floating into shore at about 1 p.m. Battalion Fire Chief Mel Hanson said the firemen were going to try to get them off the beach by use of a jeep. The jeep got stuck in the sand, but it didn't matter as more and more of the sheep began hitting the beach as an invading task force would.

Within five hours, 30 sheep were counted along the three mile stretch. Daly City Scavenger Owner Al Sereni was to meet with officials from the County Health Department and humane society but no one was at the beach to meet him at 9 a.m. Monday. He waited until noon time.

Sereni said that the sheep were all picked up that afternoon and burned at the Scavenger dump site under the direction of the County's Humane Society.

The S. S. Delfino, docked at pier 92 in San Francisco, had brought 25,000 of the sheep from Australia. A ship's officer had reported that 500 died and the normal practice of dumping them was used. Apparently, they were heaved over the side and were washed back to shore. Usually, sharks take care of the disposal when animals are tossed into the ocean. The ship reportedly sailed over the weekend.

designed K-6 schools—Abraham Lincoln and Thomas Edison in Westlake and Daniel Webster in St. Francis Heights. These 21 new classrooms will be finished this December. Each school then will have 18 classrooms and two kindergartens.

Plans for the district's proposed $300,000 main headquarters building-education center have been delayed due to the district's low priority on the state assistance list. This building will be erected on the northeast corner of the Lincoln-Edison school site, at the corner of Lincoln avenue and Lakeshire drive.

South City Man Spots Stolen Car

A day after his auto was stolen, Richard Marsden, 18 Bradford drive, South San Francisco, spotted his car being driven along San Jose avenue and held the 17-year-old Daly City boy after catching up with the auto.

Marsden reported to South San Francisco police that his auto had been stolen last Tuesday. The following day he spotted the 1951 two-door sedan and stopped the driver at School and Mission streets.

Officer Richard Sims picked up the Miriam street boy and turned him over to South City police. A wallet belonging to Robert Bennet, 302 Vista Grande avenue, was found on the youth. Bennett said the wallet had not been stolen but the 17-year-old could not explain how it came into his possession.

Also tagged and placed in the Daly City police department's safe were two women's wedding rings. The rings were believed to have been stolen. The boy said he had bought them for $25. The teen-ager has been unemployed since his release from the California Youth Authority several months ago.

Police Suspect Same Bandits Of Two Burglaries

Police suspect that the same men who stole machinery from the White Lumber Company, 1917 Junipero Serra boulevard, between 10 a.m. Monday and 8 a.m. Tuesday, were involved in the theft of $80 from Mel's, 6582 Mission street.

Both cases are similar as the thieves drilled holes in rear doors and then used a pry bar to gain entry. Stolen from the Lumber Company owned by Charles S. White, 40, 6 Castlemont avenue, were a heavy duty electric saw worth $96.50, two sanders valued at $33.90 and a jig saw worth $39.95. The total of $170.35 reported to Officer John Coleman was only a partial list.

Mildred Getting, owner of Mel's who lives at 440 Santa Barbara avenue, said a metal money box containing $80 in change was the only item missing.

Referendum

(Continued from Page 1)

nance, predicated on the council majority's concern over DC freeway proposals, became Daly City territory immediately on April 11. The second ordinance was a customary one which would have brought in Callan Park 30 days later—the second week of May.

Citizen petitioners, led by newspaperman Fred Walker, a Palisades homeowner, blocked execution of the second ordinance by filing a petition signed by 4229 Daly City residents who are either opposed to the annexation or want the matter put to the voters at large. Walker's group also vowed to battle the emergency ordinance in court, challenging its validity.

City Clerk Evelyn Mosman estimated the special election will cost the city about $6500.

The city council election on April 12 this year found 6756 residents out of 16,271 registered invading the polls. There were only three candidates for two council berths, however, and voter interest was light.

The August 16 election, considering the intensity of the Callan Park controversy, may produce the heaviest precinct response in Daly City history—even though the balloting will be held during a vacation month.

50th Birthday Planners Set Westlake Meet

The executive board of Daly City's 50th Birthday Celebration Committee will meet on Wednesday night, June 22, at the Westlake Subdivision Improvement Association clubhouse, 95 South Mayfair avenue, at 8 o'clock.

Financing and committee appointments will be discussed.

Last week's general planning meeting at City Hall brought an audience of only about 25 individuals. All Daly City residents and groups are urged to participate in the full schedule of week-long activities, scheduled to run in May next year.

The celebration "name" contest will be extended and this time schedule will be determined by the executive board next week. A $50 government bond will be awarded the person who submits the most attractive name for the celebration.

Virgil P. Anderson and William Fleckles, officers with the Westlake Improvement Association, urged the use of the WSIA clubhouse for several of the many meetings which will be held this fall and early next year to enlist community support in planning and participation.

All celebration committee meetings thus far have been at City Hall, 75 Wellington avenue, and it was felt that by alternating meeting sites, more uniform city-wide attendance would be achieved.

Two Passengers Hurt As Three Cars Damaged

Two persons, 2 and 22 years old, sustained minor injuries and were to be treated by their family physicians following a two-car accident involving a third parked car on Oliver street near Bellevue avenue last Saturday at 3 p.m.

Injured were Jerold McNeil, 2 years, 599 Evergreen avenue, and Donna Bennett, 22, 3622 20th street, San Francisco. Officer Richard deLosa said both drivers, William L. Bennett Jr., 23, a bottler at a milk company, and Kathryn M. McNeil, 28, a clerk-typist, apparently entered the intersection at a fast rate of speed and expected the other to stop.

Mrs. McNeil said the baby was thrown forward and when she tried to catch him her auto rammed into the parked car of Clarence H. Sosvielle of Redwood City. Bennett was cited for driving with a revoked license.

The small Nolan anexation was passed by 5-0 vote after second reading of the ordinance, and first readings were held on the Fuch-Olcese property rezoning (from unclassified to C-2), and the rezoning of property at the end of Market street (from unclassified to industrial).

In other agenda matters Monday night, the council:

1. Granted business licenses to—Purple Heart Thrift Shop, 6317 Mission street; Stewart and Winn frozen food and meat shop, 6654 Mission street; Ray Hill for Shell Service Station at 2428 Junipero Serra boulevard; and Del Wilson, for St. Francis Realty office at 6656 Mission street.

2. Received letter of appreciation from Father James Bergin of Our Lady of Perpetual Help Church for council resolution citing the pastor on his seventieth birthday.

3. Went on record as being against PG&E's application before the Public Utilities Commission this week for a rate increase.

4. Cancelled taxes on six lots fronting Junipero Serra boulevard, purchased April 18 from Zita Corporation by the State Division of Highways. This was the site of McKeon's proposed shopping center.

5. Passed resolutions transferring $17,240.24 and $3199 from unappropriated surplus to library capital outlay fund for contracts with Remington Rand and D. Cunningham and Associates on furnishings for the new main library on Southgate avenue in Westlake.

6. Cancelled taxes (by resolution) on Jefferson Elementary School District's George Washington K-6 School site, the old Meussdorffer property off Hanover street.

7. By resolution, adopted Land-Use portion of city's Master Plan. Mayor Pacelli termed the Land-Use guide to zoning plan "far from ideal" but "an initial step, and we hope we can improve upon it greatly through the years as the city grows and its needs change."

recommending that police officers be paid a maximum of $2 straight time a day for the time they individually spend in court on cases. At present, policemen get a maximum of only $2 regardless of how much time they spend on a case in court, based on a minimum assignment of five minutes. Overtime is granted city employees only by special consent of the council.

The firemen's request for a reduction in the work week from 64 hours to 63.3 hours was voted down, 4-0. The firemen claim they lose a full day of vacation time on the 64-hour schedule. But the board held that this would increase the department's need for additional full-time personnel.

Supervisor Race

race, San Bruno's John Romano, got his highest vote in Redwood City, 1978, where Fitzgerald won, 6479 to 3482 for Callan. Romano was a distant third in San Bruno with 1736 compared to 3675 for Fitzgerald and 2006 for Callan. In South San Francisco, Romano got 1663 votes, and in Daly City he mustered 1595. Pacifica residents gave Romano only 609.

Supervisor William Werder, who won re-election by exceeding the combined tallies of two challengers, defeated his closest rival, James White, 4971 to 2376 in Daly City, 2109 to 1396 in Pacifica, and 3989 to 2630 in South San Francisco.

Eighty-three-year-old Alvin Hatch of the Fourth Supervisorial District was re-elected as he soundly defeated junior college trustee Raymond Whitney, 5362 to 3664 in Daly City, 2289 to 2082 in Pacifica, 4813 to 3111 in South San Francisco; 4153 to 2528 in San Bruno, and 2455 to 1336 in Millbrae.

Hatch's margins were 10,598 to 6641 in San Mateo, while Whitney was on top in Redwood City, 5955 to 5567.

Werder lost to Palo Alto sheriff sergeant James White in Redwood City, 5405 to 5176, but the incumbent had a 10,775 to 4309 edge in larger San Mateo.

Werder's total tally was 58,912 to 30,202 for White and 15,380 for John Connors, Redwood City fire commissioner.

Hatch held off Whitney, 60,576 to 42,877.

900 STUDENTS SET TO ATTEND SUMMER SCHOOL AT WESTMOOR

Nine hundred students have signed up for Jefferson High District's summer school, beginning Wednesday, June 22, at Westmoor High School.

Principal Robert Watt, Jefferson High instructor, will supervise a faculty of 30. The six-weeks summer session for incoming freshmen ends August 2. Sophomores, juniors and seniors will finish the remedial and enrichment classes on August 16.

Students who have yet to register or those registered who wish to make program changes may do so on Monday and Tuesday, June 20 and 21, from 9 a.m. to noon in the Westmoor cafeteria. June 21 is absolutely the final deadline for registration and program changes.

Students already registered have received cards through the mail, listing class times and instructors, plus the bus schedule and other general information.

The summer school hours are 8 a.m. to noon Monday through Friday. Classes are two hours each.

On opening day, Wednesday, June 22, a general briefing assembly for all students will be held at 8 a.m. in the gymnasium.

This is the second time Westmoor has housed the summer program. The instruction last year was at Jefferson.

Eight Teachers Hired By JUHSD

Jefferson High School District trustees hired eight certificated personnel at Monday evening's meeting.

Hired were Mrs. Elizabeth T. Alfini, Oceana English instructor; Dr. Kenneth H. Blood, district psychologist; Mrs. Anne R. Kirshner, psychiatric case worker; Robert G. Meuter, Oceana librarian; Neda Pexton, Oceana social studies teacher; Mrs. Beverly C. Ross, as nurse at Oceana; Mrs. Mary Jane Smithback, Oceana English instructor; and Napoleon B. Triplett, Jefferson science teacher.

The board also hired Ralph N. Mistler as part time central office clerk and reclassified Mrs. Betty M. Madsen from Westmoor receptionist to Oceana attendance clerk.

OBITUARY

Victor Capurro

Funeral services were conducted Saturday morning for Victor Capurro, 69, a Daly City resident the past 51 years who lived at 175 Mateo avenue. He died June 9 in San Francisco.

A native of Italy, he lived in California 55 years. He is survived by his wife, May Capurro; a daughter, Mrs. Florine Gardella of Concord; a granddaughter, Sharilynn Gardella; son-in-law, David J. Gardella; a brother and sister and nieces in Italy and other relatives in California.

W. C. Lasswell and Company, 6154 Mission street, handled funeral arrangements. Requiem Mass was celebrated at Holy Angels Church in Colma. Interment was at Italian Cemetery.

Library Friends Cite Coverage

Dear Mr. Brandshaw:

This month marks the end of another successful year for Friends of the Library.

I am certain that considerable credit for the enthusiastic response to our various programs is due to the excellent coverage given us by your papers.

May I hope that our cordial relationship will continue throughout next year and the years to come?

Sincerely,

James H. Gray Of Westlake To Boys' State

James H. Gray of 1453 South Mayfair avenue, Daly City, has been selected to represent Broadmoor American Legion Post 824 at the annual Boys' State Conference in Sacramento this year.

Gray, a junior at Westmoor High School, was selected by Dean of Boys John C. Kollmann.

Last Saturday, James and his mother, a school teacher, accompanied by Legionnaire Steve Melinac, chairman of the Post's Boys' State program, were honored at a luncheon in San Mateo with other delegates from the 26th Legion District.

Plenty Of Heat But No Fire For PG&E

There was plenty of heat but no fire.

Firemen found out that the Pacific Gas and Electric Company's new heat detection system at the service center, Eastmoor near Sullivan avenue, St. Francis Heights, works well.

Thirty-five engineers were watching a demonstration of a gas burner last Wednesday morning when Fire Chief Elmer Kennedy and two truck loads of firemen ran into the room. The speaker was unaware of the automatic heat detection system.

Jefferson Model Senate Might Be Floor For Plan

Jefferson High School's two model senate meetings, the first attempted at the school, proved such a success that social studies instructors are planning coordination of countywide model senate conference to be held next year.

Under the directorship of Rudie Tretten, history and social studies teacher at Jefferson, the students convened on May 25 and June 2.

Richard Lair wielded the gavel as president of the senate. The senators enacted a farm program, an anti-poll tax law and a foreign aid bill.

An attempt to pass the For- and Old Age Medical Care Bill was defeated when the Republicans, under the leadership of Margie Duncan (supposedly Rep. Ill.) attacked an anti-segregation amendment. Southern Democrats and Republicans then rallied to defeat the bill itself.

A Republican effort to pass the Eisenhower Medical Plan was also turned back. Majority leader Judy Foster (supposedly Dem. Texas) led the floor fight against this measure.

An interesting sidelight was provided by a debate on the U-2 affair. The argument was split along party lines.

3000 Exhibitors Expected For SM County Fair

Premium schedules, listing $57,530 in prizes for participating individuals and organizations, mailed today to more than 3,000 exhibitors scheduled to display flowers, livestock and home products in the 26th annual San Mateo County Fair and Fiesta scheduled for August 5 through 13.

Separate premium books have been printed for (1) Floriculture, Professional and Amateur divisions, and (2) Agriculture and Junior divisions.

Fair and Fiesta Manager William M. Wilson announced that additional schedules and entry blanks are available and may be obtained by calling the Fiesta offices, DI 5-3541.

Exhibits this year will develop the Fiesta's theme, "Industry and Beauty." One of the largest prizes ($500 for first, $540 for second and $400 for third) is offered in the floriculture department (Class I) open to nurseries, landscape architects and professional gardeners for planting and decorating outdoor living rooms.

The industrial landscaping contest carries prizes of $400, $350 and $300. The orchid garden competition offers a first place prize of $800; second place wins $600.

CHICKEN POX, MUMPS TOTALS HIGH IN MAY

Chicken pox, mumps and measles topped the list of cases reported to the San Mateo County Health Department last month.

The May report for the county showed 241 cases of chicken pox, 179 cases of mumps, 63 of German measles, and 42 regular type measles cases.

The chicken pox total compared to 152 a year ago at the same time, while German measles cases in Many of 1959 numbered 202.

Eight cases of syphilis were reported last month compared to 19 a year ago. Gonorrhea cases in May numbered 22 compared to only 6 last year during the same period.

San Mateo had 154 cases of chicken pox last month and 115 of the mumps cases.

Letters To The Editor

15-Year Resident Cites Reasons For Callan Park Fight

Dear Mr. Brandshaw:

It is most encouraging that citizens at last have become interested in the vital question of annexation. Several letters published last week have prompted me to pass on some of the facts which may help them to understand the fundamental principles behind the opposition to Callan Park. One thing that should be understood is that the petition for referendum (vote of the people) is a means provided by the State of California so that hasty or ill-advised decisions by our governing body (City Council) may be put to a vote of the people.

It is not to be wondered that Daly City-zens have lost confidence in the majority action of our City Council, judged entirely on its record. Confidence—like a reputation—is built on performance.

The City Council are responsible to the people in all matters pertaining to the economy, and so it was not only surprising, but appalling that the public hearing on this important step was adamantly closed (4-1) several hours after it opened, and the please of interested parties (schools, county, civic leaders, et cetera) were ignored and completely nullified.

The opportunity to discuss and bring out the facts pro and con was forever lost by the passing then, of an "emergency ordinance" which in practice did immediately make Daly City taxpayers the parent of 871 acres—which means simply that we must police it, make fire services available, provide public works, engineering services, water, schools, recreation, et cetera, to say nothing of the sewage problem, which, upon testimony at the Council Chamber, will be costly beyond any tax revenue the city might realize from the homes themselves. When the Sanitation Board approved the annexation forthwith, the element of impropriety was brought into focus.

Daly City has enjoyed phenomenal growth and the city's experience with subdividers, I believe, has been generally good. Nevertheless, these experiences, good and bad, should guide us in future annexation procedure so that Daly City taxpayers will not be shouldering an excessive tax burden they had not voice in acquiring.

The only thing a taxpayer has left is his vote. Those of us who have carried the fight for school bonds, for community betterment, and in civic and cultural groups are a little tired. We have retrieved the "right to vote," in this instance, by the petition. The rest is up to the taxpayers.

So there will be no question, I have lived in Daly City some 15 years, and I share the sentiment of those who want a better Daly City. Whether it becomes bigger or not depends on how we hold the line on taxes, and still provide our people with the advantages of a modern community.

Cordially,
Mrs. Elsie Garrison
324 Northgate avenue
Daly City

'Assault' To His Battery Charged

Frank Kratochvil, 538 Niantic avenue, reported a case of "assault" to his battery last Thursday at 11:35 p.m.

Kratochvill told police the battery from his two-door sedan was stolen while the car was parked on 91st street near Sullivan avenue between 7 p.m. and 11 p.m. He estimated loss at $14.

Ten Jefferson Students To Receive Awards

Ten Jefferson High School students were honored for outstanding records with scholarships to various schools and inclusion in academic associations as announced by Dean of Girls Miss Ada Wood.

Barbara Balbi, 52 West Market street, received a four-year scholarship to the San Francisco College for Women, an honor scholarship which will be renewed each year, and a grant from the Benevolent and Protective Association of the Elks No. 2091.

Robert Anderson, 316 Winchester street, was named outstanding student and received an award from the California Savings and Loan League.

Anne DeMattei, 79 Bruno avenue, was the recipient of the Jefferson Union High School District Teachers' Association grant.

Lloyd Echols, 157 Alexander street, received a scholarship to the California College of Arts and Crafts.

Richard Lair, 12 Fairview avenue, was awarded a scholarship to the University of Washington and made a life member of the California Scholarship Federation.

Donna Phelps, 417 Euclid avenue, Berkeley, received the Daughters of the American Revolution good citizenship award and was also named as a life member to the California Scholarship Federation.

Nanci Reginelli, 64 Cottonwood drive, received a certificate of honors at entrance to the University of California, was awarded a grant from the San Mateo Panhellenic Association and gained life membership to the California Scholarship Federation.

Richard Wright, 636 Sierra point, Brisbane, was awarded the Daly City Rotary Club Scholarship.

Peter Jacobsen, 268 Peoria street, and Doni Wingate, 446 Castle street, received Colma School Mothers' Circle awards.

Legionnaires Give 1300 More Shots In Polio Program

The American Legion's second polio shots program Saturday at Benjamin Franklin School in Broadmoor brought 1300 youngsters and adults for the inoculations.

There were so many individuals getting their first of three shots that Legion Post 824 is making plans to hold a third inoculation day next month to administer the second shots. The final or "booster" shot will be available under the Legion's sponsorship here early next year.

South SF Elks To Award DC Scholarships

Two north county students are recipients of the first annual scholarship presented by the B.P.O. Elks, South San Francisco Lodge 2091.

They are Elaine Leblang, Capuchino High School, and Theodore Burkwall of South San Francisco High School. The scholarship checks were each for the sum of $150 and were presented by Adolph C. (Bud) Harrison, scholarship chairman for the lodge.

Two more scholarships for the same amount will be presented to the students from Jefferson and one from Westmoor at graduation exercises this Thursday, June 16.

JUHSD Trustees Forced To Adopt 'Corporal' Rule

Jefferson Union High School District trustees played "follow the bouncing ball" last Monday night.

The trustees found that their policy which eliminated corporal punishment was against state regulations and promptly passed a policy to allow teachers to "place hands upon a pupil for the purpose of imposing discipline."

Superintendent Ed Morgan stated, "The board may lay down the method and conditions for the use of corporal punishment but, according to state law, cannot deny the use of it by teachers." He continued, "We don't believe in the use of corporal punishment, nor do we believe it is practical, but must draft such a policy to meet state requirements."

Trustee James Cooper noted, "The policy we have just adopted is of no use at all but must be adopted."

The basic policy is as follows:

"Within the limitations herein specified, Principals, Teachers, and other Certificated personnel of the district are authorized to administer corporal punishment to pupils where it is deemed absolutely necessary to establish or to maintain proper discipline in the schools. Such punishment, however, shall be used only after all other reasonable disciplinary measures have been invoked to no avail. For the purposes of this rule, corporal punishment shall be deemed to consist of the placing of hands upon a pupil by the above referred to personnel for the purpose of imposing discipline. Wherever possible or practical, the consent of the parents concerned shall be obtained before such punishment is given, it shall be witnessed by at least one other certificated employee, it shall in no event consist of striking or inflicting any pressure or force upon any part of the head or neck of a pupil or of applying to the person of the pupil any whip, stick, belt, strap, etc., or any other instrument or object of any nature or kind other than the bare open hands of the authorized person administering such punishment. As soon thereafter as is possible or practical, all such cases of corporal punishment shall be reported in writing to the office of the school superintendent by or through the principal concerned."

Trustees Allow Extension Funds, But Not Pleased

Jefferson High School District trustees Monday night approved $3198 for the inspection firm of Lee and Praszker, inspectors at Oceana, and $1000 for the drilling of an additional four holes for soils testing at the same site.

The board voiced great displeasure in paying the bills. Led by Trustee Lyal Ingersoll, the board asked that letters be drafted by Superintendent Ed Morgan and sent to Mario Ciampi, architect at Oceana, and Brewer and Associates, the firm doing the work at Terra Nova.

Ingersoll stated, "There has been a delay on every job we've had thus far, not only at these two new schools but the same thing happened at Westmoor when it was being constructed. These extensions of time must be given but this doesn't mean that the board is pleased with the additional expenditures."

Morgan said he would send the letters but did not believe the architects would be able to give an answer. "There is no answer," he said.

Accident In W'lake

A 71-year-old woman was treated at Junipero Serra Hospital last Sunday at 8:40 p.m. following a two-car collision at Skyline boulevard and Westridge drive.

The woman, Ethel Mae Childs, 217 4th avenue, San Francisco, was transported to the hospital by Officer Tom Culley. She was riding with her husband, James G. Childs, a welder at a machine shop. The driver of the other auto was Woodrow H. McCoy, 47, Balboa, Canal Zone, a marine engineer. Neither driver was cited.

Three Daly City Residents Receive Stanford Diplomas

Three Daly City men and a South San Francisco woman received degrees Sunday in Stanford University's 69th annual commencement ceremonies.

From Daly City, Albert B. Barsten received his master's degree in business administration; Ronald A. Casentini, A.B. in history, and Lowell A. Klaisner, B.S. in electrical engineering.

Miss Ronnie Sharon Mitchell of South San Francisco received an A.B. in German.

AROUND TOWN

By ROY HURLBERT

DALY CITY's fiftieth birthday as a municipal entity is March 22 next year. Reason the city-wide birthday celebration is planned for May of 1960 is simply that the weather should be better.

Another factor is that families are too preoccupied early in the year with economic concerns (bills and income tax deadlines) to turn out in droves for festivities. The month before summer vacation usually is a period of enthusiastic anticipation.

★ ★ ★

THIS is getaway week for graduates at all steps of the educational ladder. The moms of Alfred B. Barsten, 526 Vista Grande avenue, and Arthur D. Dempsey, 1150 Brunswick street, personally notified the paper to make sure the accomplishments of their boys were publicized for the hometown audience.

Young Barsten got his master's degree from Stanford last Sunday, while Mrs. Dempsey wants everyone to know her Arthur passed the California State Bar examination.

★ ★ ★

DALY CITY's Valencia triplets of East Vista avenue landed prominent space in the metropolitan dailies when sidewalk presidential poll taker Pat Brown, the governor, posed with the trio, their older sisters, and Mom and Dad Valencia.

Triplets are always attention getters—especially for politicians, including governors.

★ ★ ★

PUBLIC Works Director Otis Calhoun, now a top aide for Santa Clara County, was the highest paid Daly City employee (except the city manager) before he resigned to take an even higher paying and more secure post down the Bayshore.

Calhoun's minimum salary here was $10,980 a year, compared to the police chief's $9996, fire chief's 9096, and the finance director's $9540.

The State Personnel Board recommends a boost to $10,692 a year for Police Chief Roland Petrocchi and Fire Chief Elmer Kennedy. The City Engineer's pay, if the council accepts the state recommendations, would be $11,256 a year (compared to $15,000 for the city manager), while the City Librarian would advance from $6876 a year to $7980, the finance Chief to $10,692, and the Parks-Recreation director, from $7204 a year to $7596.

MILLBRAE councilmen are scrambling to find a new city administrator. The guy they hired in April quit two weeks ago and returned to his former job in Colusa after having stayed in Millbrae less than three months.

OVER in Alameda county, a school superintendent is under fire for allegedly falsely using a "Dr." title before his name.

Supporters of the beleaguered superintendent claim his antagonists are using this "unprofessional conduct and violation of ethics" charge as a front for the real reasons behind their discontent. What the real reasons are remain nebulous as far as the Alameda county press is concerned at this stage of the insurgency.

THE Chamber of Commerce continues to have difficulty mustering judges for the annual "Miss Daly City" competition.

Three of the five judges failed to show for the preliminary part of the contest. Is judging a pressure assignment?

Why not put at least a pair of women on the panel next time?

SAN BRUNO School District trustees have voted to bill parents for damage to school buildings and property caused by non-thinking youngsters.

Attorney Bill Fleckles, chairman of Westlake Improvement Association's Dog-Leash Law Enforcement Committee, couldn't subdue his embarrassment and mirth recently when his own hound ran out of the family garage and finally was retrieved at Peninsula Humane Society Headquarters.

Even the dogcatcher barked when Bill explained his committee's crusade to help the county men and city officials lessen a problem.

Dogs will be dogs, and people are only human, after all.

"Bowl To Help Build Better Boys" Slogan For PAL Bowling Tourney

"Bowl To Help Build Better Boys" is the slogan of the second annual Police Athletic League Tournament to be held at the Westlake Bowl between June 26 and August 7.

Manager Jim Grealish, of the bowl, said that the committee and volunteer meeting held last Wednesday night, laid out plans for the tourney. A charge of $2.75 will allow three games of pin play. A $1.50 fee is the regular charge with 25 cents going toward a scorekeeper and $1 for the PAL benefit.

There will be separate prizes for men and women. The best series, based on a handicap of two thirds of the bowlers' average substracted from 200 pins, will determine the list of winners. Highest total gets a choice of prizes and others follow in numerical order, Grealish said.

Special prizes will be awarded for 6 and 12 game participants. Also, groups of 20 or more persons may sign with the highest individual in each group receiving a prize, he added.

John and Jane Doelger were named co-chairmen for the tourney at the first meeting. A second confab will be held this Thursday evening at the Bowl.

Police Chief Roland Petrocchi, Assistant Chief Roy McLaren, Captain Roy Beecher, five bowl personnel and 13 volunteers were present at last Wednesday's meeting.

Grealish stated that $6000 in prizes were given away last year and $4600 net profits were realized by the PAL. A total of 3800 persons participated last year. This year, hopes are that 6000 will participate and the PAL will be able to make a net profit of more than $6000.

Addition To Story On John A. Eason

The newspaper regrets an omission in last week's issue in the story on funeral services for John Andrew Eason, former resident at 199 Westlake avenue and the husband of Anna Eason, Daly City recreation commissioner and high school trustee.

Survivors include his son, John Richard Eason, also of 199 Westlake avenue.

PROPOSED overpass across Lake Merced boulevard (above) for students at Fernando Rivera School north of Westlake Park will be discussed at public meeting next Monday night at Olympia School, starting at 7:30 o'clock. A petition signed by 300 parents supports the school district's overpass proposal. Some 30 residents in the area claim the structure would block their views and lower property values. The city, which earlier agreed to contribute $15,000 towards the estimated $30,000 overpass, has asked the school district for all the plans drawn by the school district's engineer. THE RECORD photo

Temple Judea School Signups Being Taken

Parents with children eligible for enrollment in Congregation Judea Sunday School or Hebrew School are requested to contact the Temple Office, PL 5-6362, now before leaving on summer vacation to register their children for the Fall term.

Children ages 3 years 9 months through 14 are eligible for enrollment in Congregation Judea Sunday School; ages 9 years and up for the Hebrew School. Religious School classes will resume on Sunday, September 11.

Judea Sisterhood announces the beginning of its rummage drive, and urges anyone about to discard clothing, household items, etc., to please phone the Temple Office, PLaza 5-6362, or the following: Mrs. Arthur Hecht, PL 6-6036; Mrs. William Barbour, LO 4-3736; or Mrs. Charles Wine, PL 6-1783.

Fred Gruen, first vice president of Congregation Judea, will occupy the pulpit as guest speaker this Friday evening, June 17, 8:30, at Sabbath Services. He will speak on "The House of Gathering"—the second in the lay-sermon series—"This I Believe." All are invited to attend the service and social and reception following.

French Colony Queen Hopefuls To Attend Tea

A tea will be held at the home of Mrs. S. Marshall Kempner on Saturday, June 18, so the election committee may meet the French Colony Queen Contest candidates.

Those present at this first interview will include the Mmes. Andrew Cole, Frank T. Crennan, Joseph S. Thompson, Mr. and Mrs. Pierre Le Bris, Mr. and Mrs. Camille Monjauze, Mr. and Mrs. Georges Marie-Victoire and S. Marshall Kempner.

The girls will be tested for their ability in reading, writing and conversing in French and will also be judged on their charme and poise.

Application blanks can still be obtained up to June 15 from Mrs. Frank T. Crennan, 2537 Larkin street, PR 5-2725, and from the French Library, 414 Mason street, San Francisco.

INTERMEDIATE SCHOOL

361 To Receive Diplomas Friday In Benjamin Franklin Exercises

Benjamin Franklin School graduation ceremonies will be held this Friday evening at 7:30 o'clock in the gymnasium of Westmoor High School.

Trustee Frank Verducci will award diplomas to 361 eighth graders—the largest single graduation this year in Daly City schools.

Principal Fred Schweickhardt, who early next year will assume the principalship of soon-to-be-built George Washington K-6, today announced the graduation speakers. "Think" will be the topic of valedictorian Sheila A. Stasich. Rita Chase, salutatorian, will speak on "Now—Our Responsibility." Kevin Burke, the historian, will address the audience on "This Is Not The End."

Postmaster Vincent Murphy of Daly City will present the annual Citizenship Awards. The Rev. Father Timothy Monahan of Our Lady of Mercy Church will give the invocation. The benediction will be recited by the Rev. Herbert Tweedie of Broadmoor Presbyterian Church.

Music will be by the school band, directed by James Sharpen. Mrs. Elda Black will lead the special choir in renditions of "The Halls of Ivy," "No Man Is An Island," and "You'll Never Walk Alone."

Members of the school PTA will serve refreshments at the conclusion of the ceremony. The evening will be capped with a dance for students, supervised by teachers and parents.

HYMAN MANBER WINS JEWISH SERVICE AWARD

At its twenty-third annual convention in Bakersfield, June 4-6, the Department of California Jewish War Veterans presented its outstanding service award to Hyman P. Manber of San Bruno.

Manber, past commander of Peninsula Post 688, has been Deputy Chief of Staff of the Department of California the past two years. He is a staff member of the San Mateo County Veterans Coordinating Council and has been active in veteran affairs for many years. He was recently elected a member of the Board of Directors of Congregation Ner Tamid in San Francisco.

Working on a non-sectarian basis, the Jewish War Veterans maintain a program of veteran rehabilitation, helping all veterans without regard for race, creed or color. The group is dedicated to uphold American democratic traditions, to defend the liberties guaranteed by the Bill of Rights, and to promote understanding through interfaith programs.

Manber reports that the Bay Area has a membership of approximately 1500, and plans were being formulated by local leaders for the formation of a new Bay Area District Council within the next 90 days.

He further stated plans were in the making for the Department of California annual convention in San Mateo County in 1962.

Santa Cruz Avenue Woman Treated For Deep Laceration

Ruth Green, 44, 166 Santa Cruz avenue, was transported to Junipero Serra Hospital last Friday at 2:15 a.m. after she fell and struck the television set, causing a deep laceration across the bridge of her nose.

Officer Ralph Warren transported her to the hospital and home again after treatment.

Court Infant Of Prague Installation

Court Infant of Prague, Catholic Daughters of America, has calendared an installation of officers for 8:15 p.m. Wednesday, June 22, at the South San Francisco Women's Club, 470 Grand avenue, South San Francisco.

On the slate are Mesdames Joseph Bernal, grand regent; Ernest Genovesi, vice grand regent; Patrick Maloney, prophetess; Mario Raffaelli, financial secretary; Joseph Salazar, treasurer; Maurice Potvien, historian; Julio Meloni, lecturer; Peter Andreini, monitor; Julia Evans, sentinel; Roy Everett, organist.

New officers will be installed by Mrs. Dorothy Labernick, district deputy.

Trustees are Mesdames Mary Eschelbach, Leonard Zipp and Mario Santini.

Temple Judea Sets Holyday Observances

Congregation Judea will hold its High Holyday Services this year again at the First Unitarian Church, Geary and Franklin streets, San Francisco. Rabbi Robert W. Shapiro and Cantor Harold Wachter will officiate.

Traditional music will be augmented by an eleven-voice choir and organ accompaniment. Special children's services will be conducted on both Rosh Hashonoh and Yom Kippur in Westlake.

For further information, phone the Temple Office, PLaza 5-6362, or write to Temple Judea, 95 South Mayfair, Daly City.

Three Local Men Reappointed To Catholic Charities Group

Four San Mateo county leaders were appointed and nine reappointed by Archbishop John J. Mitty as members of the Archbishop's Committee for Catholic Charities, it was announced today. Additionally, Superior Judge Edmund Scott, Redwood City, completed a successful term as committee chairman, and remains a member of the executive and legal sub-committees.

Succeeding to the chairmanship of the 13-county committee is Mrs. Thomas J. Mellon, widely known as an executive of United Bay Area Crusade, head of the Marin United Fund, and active in Bay Area work of Girl Scouts, Red Cross and many other civic, charitable and religious groups. Her husband is a San Francisco business executive and a police commissioner.

New San Mateo county members are: Mrs. James J. Duryea, president, Little Children's Aid Junior Auxiliary; Leo T. Englert, Atherton, St. Mary's College regent, vice chairman of San Mateo County Catholic Social Service and vice president of Regal Amber Brewing Company; John E. Freed Jr., Hillsborough, president of the Archdiocesan Council of Catholic Men and of San Francisco Serra Club, and general manager of Nelly Gaffney; James C. Hickey, Hillsborough, San Mateo County Catholic Social Service board, former president, San Mateo Serra Club and partner, W. L. Hickey and Sons, San Bruno.

Reappointed were: Richard H. Barrett, Hillsborough; Monsignor Thomas A. Cummins, Burlingame; Paul M. Hupf and Peter J. Markovich, Daly City; Vincent T. Murphy, Colma; J. Hart Clinton, San Mateo; Judge Scott, Redwood City; Eugene F. Hoffman and Louis E. McDonough, Menlo Park.

The Archbishop's Committee includes professional, business, civic, and religious leaders from all parts of the Archdiocese. They are advisers in the expanding charity and social welfare program under Reverend James M. Murray, General Director of Archdiocesan Catholic Charities.

The program now includes 12 Catholic Social Service offices (one in San Mateo county) which are active in child and family welfare and aid to unwed mothers. The committee is participating in rehabilitation of St. Mary-of-the-Palms at Mission San Jose into a home for dependent, troubled, and neglected teen-age girls. It has expanded its work for the aging and plans establishment of more senior centers for their recreation.

The office of Catholic Social Service of San Mateo County is at 329 Primrose Road, Burlingame. Director is Reverend Thomas F. Regan, with a Master's degree in social work, who is moderator of the Catholic Committee for the Aging. The Burlingame office is staffed with professionally trained social workers, assisted by Catholic Social Service Auxiliary volunteers in administrative, clerical, transportation, fiscal and other non-professional welfare assistance.

MARY ELIZABETH FULLER of Westlake, daughter of Mr. and Mrs. Alfred Fuller, 120 Avalon drive, became the bride of San Franciscan Rick Azinheria last month in a ceremony at St. Agnes Catholic Church. The couple honeymooned in Carmel. They now live in San Francisco.

Eagles Launch 'Max Baer Heart Fund'

The Max Baer Heart Fund has been established by the Fraternal Order of Eagles to perpetuate the memory of the former world's heavyweight champion and serve to fight the disease which took his life.

The fund will be devoted to coronary research. Grants will be made to clinics, medical schools, and recognized research centers for study of possible prevention of and cures for the heart ailments which kill so many people every year.

Each year Eagles have gathered thousands of dollars to aid many worthy causes. The loss of the fun-loving clown of fistiana — an Eagle — who also helped to raise funds for others — brought into being the Max Baer Heart Fund.

Through this fund the Eagles will not only pay tribute to the memory of Max Baer but will at the same time help battle the disease which exacts a crushing toll of premature deaths. Jack Dempsey, former world's Champion, and an Eagle, will serve as national chairman. Len Hooper, County Auditor, a Sacramento Eagle, is national secretary of the fund.

Local Eagles will sponsor a city-wide party this Friday evening, June 17, from 5:30 to 8:30 p.m. at Eagles Center, 895 O'Farrell. Hosts for the party will be the zany and fun-loving Lower Montgomery Street Olive or Onion Society. The Grand Exalted Master Tasters, Barney Vogel and Paul Nyland, will officially greet all guests, and officiate at the functions of the evening.

Said Vogel: "We have issued invitations to all of our friends who have indicated a desire to attend one of our more functional sessions; however, we may have missed a few more who would like to help in this great cause. Call GRaystone 4-7800 or ask for Barney at the desk."

Minister's Father To Give Message At Wesley Church

Sunday, June 19, Frank E. Gleason, the father of the minister, will bring the morning message at Wesley Methodist Church. In charge of the service will be Rhoden Wilkinson, the Lay leader for the past year.

The pastor, The Reverend Miss Dorothy C. Gleason, is in Stockton this week attending the 112th session of the California - Nevada annual conference of the Methodist Church.

Dr. John W. Kinch is the lay member to the annual conference from this church. Dr. Kinch is a professor at San Francisco State and, in addition to being the Lay Member to the annual conference, serves the church, with his wife, in the capacity of Church School Superintendent.

Sunday afternoon, June 19, Miss Gleason will be one of the persons being ordained a deacon in the church. Following the ordination service the Bishop will read the pastoral appointments for the coming year as they affect the 370 churches in this annual conference.

Local Pastor Hosts 'Master's Moments' Religious Program

"The Master's Moments" is the title of the new radio program now presented each Sunday morning at 11:35 a.m. over Radio Station KFAX, 1100 kc., with the Rev. Charles R. Christian of Westlake Lutheran Church as the weekly speaker and host.

The program is 25 minutes in length and consists of meditation, inspiration and worship as presented by the spoken word and by sacred music.

Vacation Bible School To Begin Next Monday

Hope Lutheran will endeavor to keep the minds and fingers of small children busy during vacation by means of a two-weeks Vacation Bible School, starting next Monday at the church at 55 San Fernando Way.

Vacation Bible School is open to children of all faiths entering kindergarten this September through the eighth grade. Reverend L. C. Marting will be one of the teachers, as well as Mrs. Grace Marting, Mrs. Emogene Waterson, Mrs. Lynn Cass, Mrs. Doris Beswick, Mrs. Anita Giese, Mrs. Edith Little and Mrs. Donna Ottsen.

Mrs. Diane Sorensen is the Recreational Director, Mrs. Marian Canaday is in charge of refreshments, Mrs. Verona Williams and Mrs. Dorothy Manahan are in charge of supplies and materials, and Mrs. Irene Moreno is the Superintendent.

Further information regarding Vacation Bible School may be obtained by contacting Pastor Marting at PL 5-7855 or PL 6-4673.

Sheila Pummill Honored At Bridal Shower

A bridal shower was held Friday evening in Westlake for Miss Sheila Pummill, daughter of Robert and Kay Pummill. The bride-elect's father is service manager for Gateway Chevrolet Company here.

Mrs. Peter Kazas, 55 Oaklawn drive, hosted the party, with the assistance of Mrs. Clyde Gilbert of Redwood City.

Miss Pummill will wed Gary Strand, a Gateway employee, on July 30 at the Congregational Church in San Mateo.

Among the 20 relatives and friends who attended Friday's affair was Dean Strand, father of the groom.

During the period 1898-1901 the Navy experimented with homing pidgeons as a method of communication between ships and shore stations.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our many friends for their kindness, words of sympathy, beautiful floral and memorial offerings in the loss of our dear husband and father, John A. Eason.

We especially thank the Daly City Police and Fire Departments for their prompt efficiency.

Sincerely,
ANNA M. EASON

Westlake Teacher To Attend Confab At Columbia In NY

Westlake resident Foster C. Jones, teacher at Self Help School, San Mateo County's special training school for severely mentally retarded children, has been accepted to attend a Work Conference on the Rehabilitation of Mentally Retarded Adolescents and Adults, to be held this summer at Teachers College, Columbia University, New York.

His participation in the conference is made available through a grant from the Office of Vocational Rehabilitation.

LITTLE LEAP

... OVER A BIG BOULDER

With Lou Lucia

Tell someone you live on Westlake avenue and they'll sure as flames go to Westlake though that street is on the other side of Daly City. Ditto the Westlake Maple Shop near Jeff High.

Tommy Noonan can be seen in movies in the area but it's not the Tom Noonan that serves as Jefferson Elementary District trustee. The latter Tom, also a St. Francis Heights Improvement Assn. member, works for the telephone company. Don't call me, I'll call you.

The Christian Church is noted for names such as Jacob. Members keep their Cross on the bureau Dresser. All are firemen for Daly City: Charles Christian, Lyle Church, John Jacob, Harvey Cross and James Dresser.

The police department also has its share of names "almost the same" troubles. We're speaking of Officer Jim Welsh and Sergeant Jack Walsh, both working days.

Jim, Welsh variety, one day recently made up one of the day report sheets in Italian. Seems that prodigious Jim has been taking courses at night school. Chief Roland Petrocchi (with an "i" such as in "Italian") may give Welsh the (Perry) Como avenue beat if this keeps up.

Bud Sherwood, hubby of police secretary Helen, when asked if he's any relation to Don Sherwood will simply state, "Don't speak to me anymore." Police know that Sherwood is not the bandit of that named forest as Bud is wiser.

Driver La Femme. The rock of gibraltar would be nervous if it were in the trunk of a car driven by pretty Pat Strasser, Miss Daly City of 1959. The T-bird gal really zooms. Most of us have to show our driver's license when we get a tag—but this attractive lass would only have to show her face to get off scot free.

Speaking of cars, the shiniest we've ever seen belongs to Sal Maita, former produce manager at the Spotlite Market. Sal has changed his job, now works in San Mateo, no doubt to show off the polish job while scurrying down the hi-way.

Battalion Fire Chief Wayne Alexander reported to police that a nozzle from a hose, a very expensive one, had been stolen from one of the department's trucks. It was found later in back of the vehicle. Keep cool, nozzle up a little closer.

Mentioned in a sports column some time ago that Tony Giammona was doing excellent bowling for the Corina cigars team. Coaches at Westmoor got a big charge out of that, the name is Corina Cleaners. Guess we had rolling on our minds instead of a pressing engagement.

YWCA's Finale In Westlake Well Attended

An excited happy throng filled the Westlake Bowl's Banquet Room on Saturday night, June 4, and gave an overwhelming nod of approval to the fun-filled evening. From an early start to the 1 a.m. finish the "Dance Into Summer," sponsored by the YWCA of North San Mateo County, was full of surprises and excitement.

During the delicious dinner attractive couples modeled the latest in men and women's clothes from Casual Aire and New Haven Shop. The Attractive fashions were followed by a dance demonstration by membersof the YWCA dancing classes. Included were a tiny tots group as well as novelty dance numbers, and a samba by the ballroom dance class. The Walt Tolleson combo took over the festivities then and set the dancing party into motion.

Certainly the biggest hit of the Y's social season, "Dance Into Summer" was a good example of how careful planning and hard work by the YWCA Committee made the evening one to remember.

'Merionettes' To Perform In Swim Preview

San Francisco's famed "Merionettes," synchronized swimming team which placed third in last year's AAU Nationals, will highlight the annual prevue of the Red Cross Summer Swim Program at 2 p.m. this Sunday in Fleishhacker Pool.

Another feature of the show, produced through the cooperation of Red Cross and city's Recreation and Parks Dept., will be "Miss Nancy" Besst, of KGO-TV's "Romper Room" program. Miss Besst, a veteran Red Cross swim instructor and life guard, will serve as narrator.

Fifteen six-to-nine year old youngsters will be put through their elementary swimming and life saving paces by Jim Williams, assistant director of water safety for Golden Gate Chapter of the Red Cross, and Mrs. Miriam Everding, Red Cross volunteer swim instructor.

Williams will also demonstrate mouth-to-mouth rescuitation. Planned for the whole family, the show is open to the public, and a large percentage of the thousands of local kids who will participate in this year's free Red Cross Summer Swim Program are expected to be on hand.

The Rathskeller Bowl in Downtown San Francisco seems to be the big center of attraction for some of the Bay Area's top models.

Seen there quite often are: Lynne Macauley, Julie Ann Cody, Lori Rogers and Evvie Popper. They all enjoy the unique atmosphere at the Rathskeller . . . only four lanes in basement of the California Hall, Turk street, at Polk.

B'nai B'rith Unit Planning 'Luau' Affair

A Hawaiian Luau has been planned as a membership tea for the newly formed Seven Hills Chapter of B'nai B'rith, on Sunday, June 26, from 2 to 4 p.m. at Mrs. Stanley Jonah's home, 782 Skyline drive, Daly City.

Any young Jewish women who are interested in joining the new chapter should contact Mrs. Basil Spring, MO 4-6764, membership chairman and also in charge of the tea.

The next meeting of Seven Hills Chapter will be on Wednesday, June 22, at 8 p.m. at Mrs. Elliott Silver's home, 447 Northhaven drive, Daly City. A program presented by Mrs. Saul Merritt has been planned about the B'nai B'rith veteran's program. If you wish to attend, call Mrs. Silver, PL 6-4397

Mrs. Joseph Gilbert is organizer of the new chapter and Mrs. Marvin Cohen is temporary chairman.

Adult Swimming At Jeff Begins Next Wednesday

First class in a series of five one-hour sessions in adult swimming will be held next Wednesday evening, June 22, at Jefferson High School's pool in Daly City.

Director Mike Orlich will register adults the same evening, from 6 to 6:30 p.m., followed by the first class session.

Course fee is $3. Six Red Cross-certificated instructors will conduct the program for local adults of all ages.

TWO QUEENS . . . ONE KING . . .

Youth is a perennial headliner with Shipstads and Johnson Ice Follies. And the 1960 edition is no exception. You'll see Richard Dwyer, handsome Hollywood star, Carol Caverly, California glamour girl, and Lesley Goodwin, de-lovely from Canada, in principal and important roles. There are 20 pretentious numbers in the 24th annual edition. Ice Follies, all new, opens June 22 at San Francisco's Winterland.

VERSATILE model and TV performer Paula Lane, Broadmoor housewife and mother of four children, is headed for what she hopes is her "golden opportunity" in Hollywood.

GAL WITH AMBITIONS

'Model' Housewife Paula Lane Packs Up For Hollywood

Moving to Hollywood and a new home (formerly owned by noted producer Walter Selak and located just two blocks from Bob Hope) is lovely Paula Lane of Broadmoor Village, hostess on KTVU's "The Big Bowl," who leaves next week for Southern California.

Now in its fifth week, "The Big Bowl" (Sun. 6pm, KTVU), is sponsored by the Northern California Bowling Proprietors Association of which Westlake Bowl is a member. Paula's part in the show is spinning a wheel which gives the participating bowler a chance to double his money. She also hands out the checks which are given weekly on the series. The program is now seen in various channels throughout Northern California and also in Las Vegas.

This is the first regular TV series that Paula has appeared as hostess although she has been a regular panelist on Don Sherwood's show and also had parts in various dramatic series including "The Lineup" and "333 Montgomery St." She has been in several movies that have been filed on location here in San Francisco, the latest, "Portrait In Black" (due to be released next month) in which she was the photographic double for Lana Turner. Paula's many-sided career also includes theme girl for numerous Bay Area conventions and fairs and model for many national advertisements for magazines.

The latest ad for which she posed is a United Airlines ad which will appear in "Life" magazine in a couple of months and in which Paula is photographed alighting from a jet.

An accomplished ice skater, Paula was twice awarded a state championship in figure skating. Just before Christmas last year she was featured as "Ice Queen" in the White House store window, performing daily on a specially constructed rink.

When we chatted with Paula, the conversation (as it will among women) got around to clothes. She showed us her beautiful gold lame skating costume which she designed, and also told us she designs many of the perky outfits she wears on the bowling show.

As to future plans, Paula said she hopes eventually to do a dramatic television series. She is thrilled about going to Hollywood although she added "when I retire I hope to return to live permanently in the Bay Area."

A resident of Broadmoor for a number of years, Paula, in private life Mrs. Hayden Hamilton, lives on Maddux drive. Her husband is the former owner of the Shell Service Station and will be in real estate in Southern California. Her children attend local schools—Billy, Gregory and Melody are in Our Lady of Mercy School in Westlake, and Marilyn is in kindergarten in Garden Village School.

Cut Lip Requires Seven Stitches After Cars Collide

Seven stitches were sewed in the lip of Joseph LaRosa, 39, 33 West Cavour street, at Junipero Serra Hospital on Friday following a two-car collision at Mission street near Evergreen avenue.

LaRosa, a teamster, was brought to the hospital by Officer Hal Tunnell and Sergeant David Hansen. Tunnell cited LaRosa for following too closely. The driver of the other auto was Mrs. Maxine E. Irwin, 39, 65 Rice street, a dry cleaner at the County Line Cleaners.

LOW RATES

'Family Camping' At YWCA Site Near La Honda Opens On June 30

Family camping can be a ball or a bust, depending on such circumstances as how fast Dad can build a fire, how well Mom can cook over it, and how many cinders the youngsters will eat in their stew.

Unfortunately, these and the many other adjustments necessary to successful family camping do not come easily. They are never mastered on the first trip into the woods.

That's why the YMCA, an organization which has pioneered in camping, advises families to acquire basic outdoor skills in a protected "semi-camping" arrangement before striking out into the bush for a bare-knuckle encounter with the Great Outdoors.

The gradual approach to camping is especially advised for young families with small children who are having their first experience with outdoor living.

Family camping softened with some civilized comforts will be available June 30 through July 17, for the entire period or any part of it, at the San Francisco YMCA's 925-acre camp in the Santa Cruz mountains near La Honda.

Extremely low daily rates cover three nourishing meals deaily served in a dining room, a rustic but civilized cabin, and extensive recreational facilities which include free instruction in everything from swimming to camp cookery. Reduced rates are in effect for children under 15, and there is no charge for toddlers under two.

Lifeguards, a resident nurse, and other responsible camp personnel are on hand so that parents can relax while the youngsters swim in the pool or romp on playgrounds under reliable supervision.

For Dads who like to fish, there are nearby Pescadero creek which is stocked, Bean Hollow Lake, and surf fishing a few miles away at Pescadero beach.

For the smallest fry there is a sandbox, and the kitchen staff knows how to fix baby bottles.

Free demonstrations of outdoor cookery and other camping skills will be given for those who are interested, and barbecue areas are available for family chefs who want to try their hands.

The Family Camp is administered by Central YMCA in San Francisco under the direction of John Lehtinen, and inquiries should be addressed to him, 220 Golden Gate avenue, TUxedo 5-0460. Details are available upon request.

By LOU LUCIA

THAT BOY ISN'T SLO . . . MAN: Dave Mills, Ohio, holds the record for the 440 yard dash for prepsters by clocking 46.6 in 1958. However, Frank Sloman was the tops in 1915 with a 47.0 which was wind aided. With a name like Sloman it had to be wind aided.

★ ★ ★

SCOUTS LOOK AT JUNIORS: Westmoor baseball Coach Rod Losberger notes that major league "eyes" have been gazing at pitcher-outfielder and player of the year Barry Krohn, All-PLers leftfielder Terry Christman and shortstop Rich Morales. All are juniors and will be back next year. Losberger says that scouts indicated interest in hard-hitting second team PLer Tom McHugh too until his batting average dropped a bit. Tom's a senior.

★ ★ ★

MILLER FIRED GOOD: Jeff Frosh-Soph sensation Bob Miller should help Coach Steve Mezzera's baseballers next year. He recorded a 7-2 record but better yet, in 57 innings pitched struck out 83. That's better than one per inning. As a whole, the pitching staff had an ERA of 1.68 while Harry Vaplon's crown winners clouted .273. It was the second consecutive championship for the Vaplon coached nine.

★ ★ ★

LACK OF PLAYERS IN DC?: Acting Parks and Recreation Director Chuck Vincent says the adult basketball league is kaput. The reasons—lack of local men wishing to participate and the additional costs asked by referees to keep their eyes peeled.

★ ★ ★

NO TIME FOR CLIMBING CANYONS FOR STEVE: Steve Funai, Westmoor's Frosh-Soph baseball shortstop and varsity football quarterback, also excels at Westlake Bowl where he continues to topple the pins. His name is, week-in and week-out, always included in the top scoring bowlers as listed by the Westlake Bowletter.

★ ★ ★

ANYTHING MORE APPROPRIATE?: What would be more appropriate for a track coach than a watch? Such was the gift given to Ernie Ribera by his trackmen who have been under his tutelage since Westmoor opened in 1957. Keep 'em ticking, Ernie.

★ ★ ★

IT'S USED BUT NOT ABUSED: Assistant Police Chief Roy McLaren uses a ball that he purchased from patrolman Richard Brewer. He states that a bowling ball is better after it's been used awhile. We think McLaren is trying to have some of the pin fortune that Brewer has. Brewer led the Daly City Employees' League with a fat 167 average. Brewer's wife, Marcia, did quite well too, a 121 average—same as McLaren had.

COLVIN'S NINE GOES TRAVELING: Art Colvin's BYA team in the junior loop is finished and the boys are looking forward to high school sports. The San Francisco and Daly City midget championship squad of 1957-58 will start high school this Fall. Entering Westmoor will be Alan Contreras, Tony Frish, Bruce Hix, Gary Mendosa, Ed Perry and Ron Johnson. Jefferson will get Bill Jones and Dan Dempsey. John Vocke and John Bennett will attend St. Ignatius while Mike Earnshaw and Ron Calavano are Riordan bound. Coach Randy Hix and sponsor Colvin deserve a well earned pat on the back.

Pack 62 To Receive 30 Two-man Pup Tents For Ticket Selling

Cub Scout Pack 62 will be awarded 30 two-man pup tents by the scout council for having sold more than its 100 per cent goal of tickets to the Scout-O-Rama.

Cub Scoutmaster Harold Jones presented Mrs. Donald Hackett with a scouter plaque and flowers at the June meeting for her efforts as Scout-O-Rama ticket sales chairman.

Steven and Howard Wilson sold more than 200 tickets between them and were given trophies for top sales. It was the third year in a row that Stevens has sold the most tickets.

Scouter pins were presented to parents who gave time in helping with the sales. Pack 62 was given a blue ribbon for its handicraft display at the show. Milo Torres won the "Best of Cubbing" blue ribbon in the pine wood derby.

New den mothers are Mrs. Donald Hackett, Den 4, and Mrs. Cora Chroninger, Den 9. The attendance cup was won by Den 1 who also received the parents attendance ribbon for winning the cup six times.

On June 5 the pack marched in the 25th annual Posey Parade in San Bruno. Three floats, made with flowers donated by the parents, were entered by Pack 62.

Boys presented with awards for the May-June period were:

Wolf Badge: Tom Galente, Lou Ozenne, Steve Chroninger, John Shea, Robert Torre, Dan Laird and Tom Elliott.

Gold Arrows: Bob Estrada, Bob Jones, Bill Heisch, Howard Wilson, Dan Laird and Tom Elliott.

Silver Arrows: Steven White, Bill Jones, Bob Jones, Howard Wilson, Mark Edenburn and Dan Laird.

Denner: James Moss, Steve Chroninger, Jack Kearney, Hayward Fontenot and Mark Edenburn.

Assistant Denner: Richard Chroninger, Rodger Di Virgilio, Bill Heisch and James Martin.

One Year Pin: Gregory King.

Recruiter Badge: Gary Garcia and Ian Chames.

Boys' Life: Carl Foster, Clyde Foster, Terry Titular, Basil Boyer and Gary Garcia.

Outside Activity: Gregory King, Tony Schrock, Ray Schrock, Larry Taber, Lou Ozenne, Chris Fontenot and Tim Trode.

Safety Awards: Chester Lee, James Martin, Gregory King, Clifford Heap, Mark Edenburn, Bob Gonzales, Jim Boyd, Gary Parodi, Ian Chames, John Fedelin, George Bradley, Robert Torre, Tom Galente, Howard Wilson, Bill Jones, Carl Foster, Clyde Foster, Ben Ratcliffe, Ray Schrock, Bob Estrada, Steve Chroninger, Richard Chroninger, Steven Pankowski and Jack Kearney.

Parent, Teen-age Dance To Be Held Next Saturday

The second annual Parent, Teen-age Dance sponsored by the HI-FI Teen Club will be held on Saturday, June 25.

Last year 66 parents enjoyed an evening of dancing. Music will be provided by Buddy Capp's orchestra. All parents are urged to attend and witness the Teen Club in action.

Admission price is 75 cents per parent and 50 cents per member. The doors will be open at 8 p.m.

WINNERS of the Daly City Employees' bowling league were these Joe's of Westlake Keglers. Kneeling (left to right): Police Captain Roy Beecher and Edward Runne. Standing: Harold Keough, Vikki Brooks, Arlene Keough, Josephine Runne and Police Chief Roland Petrocchi. Joe's of Westlake won the league by a 15-game margin over the second place team.

JOE'S OF WESTLAKE COPS DC EMPLOYEES' BOWLING CROWN

After 36 Fridays of bowling at Westlake Bowl, Joe's of Westlake, made up of police department administrators, walked off with all honors to cop the Daly City Employees' League.

Jones Motors came in second, 19 games behind.

The third through eighth spots were in jeopardy until the final night of kegling when McGraw's Pharmacy won out.

Winners of the championship "Joe's" team were Police Chief Roland Petrocchi, Captain Roy Beecher, Edward and Josephine Runne, Vicki Brooks, Harold and Arlene Keough.

The achievement award for women went to Betty Vincent who had an average increase of 20 pins. A like award, for men, went to Harold Keough who had an average increase of 25 pins.

First high game for men went to Rich Brewer, 237, with second high game to Harold Riley, 233. First high game for women was Janet Bastedo, 198, followed by Rose Ross, 196.

First high series for men went to Tony Giammona, 594. He was seconded by John Jacob, 567. First high series for women was Mae Terry, 484, and followed by Vicki Brooks, 472.

"Iron men" during the 36 weeks were Sergeant Charles Terry and Officer Jim Welsh, the only two persons to participate in all 108 games.

Best average belonged to Rich Brewer, 167 pins, followed ever so closely by Tony Giammona, 166 pins. Petrocchi and Terry both had 160 to tie for third. Terry had the most total pins, 17,289. Rose Ross' 136 average led the women bowlers.

Bowlers with 140 pin averages or better were:

AMERICAN LEGION BASEBALL STARTS

Legion Post 824 (Westmoor) To Meet Carlmont

Westmoor High School baseballers, playing under the banner of Broadmoor American Legion Post 824, will start out the eight-game schedule this Sunday at 1:30 p.m. against Carlmont High, representatives of San Carlos.

Ram pennant winning coach Rod Losberger helped organize the team but, due to his taking an extended vacation in Wisconsin, will not be able to help Harry Krohn.

Harry Krohn, a former Pacific Coast League catcher with Sacramento and Portland, managed the Daly City Drugs nine to the championship of the High School League last year.

Many of the performers to participate this year played on that squad. Marchbanks Park will probably be the home field for the Post 824 team.

Other teams entered include Dante's New Pisa (Jefferson High), South City High, Menlo-Atherton, Carlmont, Palo Alto and Redwood City.

Krohn's team will probably be vieing with New Pisa, Sequoia (winner of the South Peninsula Athletic League and Redwood City representative), and Carlmont (second place SPAL finisher) for the title.

Krohn will have a strong pitching staff including son Barry, Terry Christman, Don Katona and Harry Brown. Catching will be Darryl Woodside, who was behind All-PL backstop Ed Walthard at Westmoor. Christman will hold down first with Frosh-Sopher Steve Funai at second, Rich Morales at short and Billy Hix at third. Leftfielder will be Dave Peterson, a reserve for the Rams.

Scott Shackleford, F-S centerfielder, will be in the middle pasture and Brown will play right. Reserves include F-S outfielder Spencer Bader, Ram reserve outfielder Jerry Hyndman and three graduating eighth graders who will attend Westmoor in the Fall.

The three former Art Colvin BYA horsehide stars are outfielder-catcher Gary Mendosa; infielder and brother of Billy, Bruce Hix; and second baseman Alan Contreras.

Losberger said that the rules stipulate that players must not have been born before September 1, 1942 and a maximum of 20 is allowed per team. The championship American Legion club may bring only 16 baseballers to the State Tourney, he noted. Performers must also live in the general locale of the team they play for.

The Broadmoor American Legion Post 824 (Westmoor high schoolers) schedule is:

June 19, San Carlos, there
June 26, South City, here
July 3, Redwood City, there
July 10, Millbrae, here
July 17, East Palo Alto, there
July 24, New Pisa (Jeff), here
July 31, Menlo-Atherton, there

Montalbo No Hits Ram Legion Nine In Practice Tilt

Jefferson High School baseballers readying for American Legion play settled for a tie with Westmoor trainees, 1-1, behind the no-hit pitching of Stan Montalbo on Sunday, June 5.

The Indians came back to win the nightcap, 9-5, though the coaches were freer with substitutes in that one.

Montalbo walked three and struck out two while no-hitting the freshmen grads and sophomore through junior remainders of the championship squad. Westmoor, to be known as Broadmoor American Legion Post 824, scored an unearned run in the first inning off Stan.

Barry Krohn allowed but four hits while holding Jeff to their one run. Jeff got six hits in the second game to beat Harry Brown, 9-5, as Bob Miller picked up the win. Miller gave up three hits.

25 Peninsula Groups Slate Rodeo Berths

At least 25 Peninsula organizations will operate concessions at the 21st annual Redwood City rodeo and Fourth of July celebration, co-chairmen John Flohr and Anthony Lavoi of the sponsoring Peninsula Celebration Association concessisons committee announced today.

All profits derived at these concessions during the July 2-4 rodeo are used for the youth, handicapped and other welfare projects of the participating clubs.

In addition to these game and food booths, Craft Shows will have all types of rides for children and teen-agers with the rodeo concession area scheduled to open at 6 p.m. Friday, July 1 and to remain open from noon until midnight July 2, 3 and 4.

The clubs participating in the concession operations include: Redwood City Democratic Club, Redwood City Eagles Auxiliary, Redwood City Lions Club, San Mateo County Sheriff's Reserve, Redwood City Junior Chamber of Commerce, Foresters of America of Redwood City, San Carlos Rainbow Dads' Club, Redwood City Exchange Club, Redwood City Eagles.

Also the Fleet Reserve Association of Redwood City, the Dads' Club of Boy Scout Troop 67 of Redwood City, the "Y" Men's Club of Redwood City, the Veterans of Foreign Wars of Redwood City, the Laureola Improvement Club of San Carlos, the Bonita Parlor Native Daughters of the Golden West, the Men's Activities Club of the First Congregational Church of Redwood City.

Others are: The Redwood City Kiwanis Club, the Peninsula Commuters Club, San Carlos Business and Professional Women, American Legion Post 105 of Redwood City, the Northern California Quick Draw Association, Sequoia Chapter of Hadassah, the Redwood Rod and Gun Club, Redwood City Elks' Club and the Belmont Sea Scouts.

SAILOR WIESNER OF DALY CITY ABOARD CARRIER

Donald M. Wiesner, fire control technician second class, son of Mr. and Mrs. John L. Wiesner of 49 Lake Forest drive, Daly City, is serving aboard the newly converted anti-submarine ating out of Quonset Point, Rhode Island.

Essex, flagship for the Commander, Carrier Division 18, completed a yard period in late May at Brooklyn, New York, undergoing her conversion from an attack aircraft carrier to her present status.

Upon completion of carrier qualifications this June for pilots of the Essex's new air squadrons, the Essex and her crew will embark a group of U.S. Naval Midshipmen from the Naval Academy and colleges throughout the country for annual summer training cruises to the Caribbean and Canada.

NEW PISA (JEFF) FACES REDWOOD CITY SUNDAY

Dante's New Pisa, an American Legion sponsored baseball team made up of Jefferson High Schoolers, will open play this Sunday at 1:30 p.m. against a Redwood City contingent of high schoolers from South Peninsula Athletic League winning Sequoia.

The new Pisa team will play their home games at Marchbanks Park, sharing the field with Broadmoor Post 824, Westmoor horsehiders.

Ten members of the pennant winning Jeff Frosh-Soph nine will strengthen the Dante's New Pisa American Legion team which is made up of a number of Jefferson's fourth place varsity finishers.

Indian mentor Steve Mezzera will do the coaching along with Lowell Creighton, co-manager with Harry Krohn of last year's championship Daly City Drugs nine.

Two hard throwers may be the key to a Legion pennant for the New Pisa nine. Stan Montalbo and Bob Miller, 7-2 with the Frosh-Soph, can fire excellently on given days.

The infield will probably consist of varsity returnees Tony Montalbo at first, George Claus at shortstop and Bobby With at third base. Mike Rovai, a F-S performer, will hold down second.

Outfielders will be All-PL second team man Sonny Stoller in right, Jack Fuertes in center, and Tom McEntee in left. Catchers are Mike Kennedy and F-S Al Cascicedeo.

Others who may move into the starting line-up are Frosh-Sophers Joe Bollentini, at third base; Bob Brush, outfield; Wayne Crane, outfield; Darwin Haanen, pitcher-outfielder; Dan Luciano, outfielder; and Rich Reitz, outfield. John Souza, a varsity returnee, will perform in the outfield.

The schedule follows:

June 19, Redwood City, there
June 26, East Palo Alto, here
July 3, San Carlos, here
July 10, Menlo-Atherton, there
July 17, South City, here
July 24, Broadmoor Post (Westmoor), here
July 31, Mills, there

Softball Thursday Final Managers' Meeting For Adult

The 1960 Adult Softball Twilight League, sponsored by the Department of Parks and Recreation, will hold a manager's meeting this Thursday, 7:30 munity Center.

This will be the final meeting before the proposed league opening. All interested teams and individuals are urged to attend.

Rules, entry fee, rosters, and pitcher's eligibilities will be finalized.

Flower raising in the San Francisco Bay Area is a year-round industry with an annual valuation of about $25 million.

Bob McNeilly 'House Champ'

Bob McNeilly won the Westlake Bowl Championship over the weekend with a Petersen Point average of 82.05, defeating more than 100 other entries in the two weekends of competition.

The 35-year-old flooring contractor has been bowling only a year and a half since Johnny Swanson opened Westlake Bowl, and now wears the house crown. He lives with his wife Fran and four children at 88 Fairlawn Court in Westlake.

Other winners and their averages are: Jim Campbell, 80.40; Pat Ballentine, 78.48; Steve Gotelli, 75.29; Don Gilliam, 74.23; Jim Dougherty, 71.31; Rick Dreier, 70.35 and Allan Pettigrew, 59.42.

William J. Sweeney Jr. Elected Auto Representative

William J. Sweeney Jr., of Wm. J. Sweeney & Sons has been elected to the 1960-1961 Studebaker National Dealer Council it was announced today by Sydney A. Skillman, Studebaker-Packard vice president and general sales manager.

The local automotive official is one of the 17-man council, elected by the dealer body from the 17 national sales zones, which will meet in South Bend on June 28 to discuss marketing plans for the remainder of the year and review programs related to the 1961 model introduction with key Studebaker officials. Members of the group meet annually to coordinate factory-dealer plans and programs.

Lanterman Will Coach Oceana Track Forces

Oceana physical education department head Floyd Gonella recently announced the addition of Dennis Lanterman as track and cross country coach for 1960-61.

Other head mentors will be Gonella, football and golf; Roger Miller, baseball and frestling; and Richard Burt, lightweight and varsity basketball. Assistants are Frank Lawler, basketball (lightweight and varsity) and director of intramural sports; and Jesse Jones, assistant football and track coach.

Dean of Boys Ernie Ribera said that Oceana will try to build up a strong intramural program in order to get ready for a full schedule of play in the future.
